

Sandra Machinja

Date of birth: 22/01/1999 | **Nationality:** Zimbabwean | **Gender:** Female | **Email address:** sandramachinja61@gmail.com | **LinkedIn:** <https://www.linkedin.com/in/sandra-machinja-4b481a245>

ABOUT ME

Detail-oriented and highly motivated Bachelor of Computer Applications graduate specialising in **Data Science, Artificial Intelligence, and Web Development**. Proven experience in **machine learning model implementation, data analysis, SQL database management, and frontend web development**. Proficient at applying Python, C++, Java, and SQL to develop efficient, scalable solutions. Recognised for innovation, teamwork, and problem-solving, with a demonstrated record of improving operational efficiency and service delivery. Seeking an entry-level role in **Data Science / AI / Software Development** to contribute to data-driven projects and organisational growth.

WORK EXPERIENCE

 **SARVGYA INDUSTRY** – INDIA

JUNIOR DATA SCIENTIST INTERN – 03/2024 – 06/2024

- Implemented a machine learning model that increased operational efficiency by 20%.
- Managed and processed large datasets using Python and SQL, reducing data collection time by 30%.
- Designed statistical models to support data-driven decision-making.
- Performed advanced data cleaning, analysis, and visualization using Excel and Python.

 **XARROWAI INDUSTRIES** – INDIA

WEB DEVELOPMENT INTERN – 07/2023 – 09/2023

- Developed responsive websites using HTML and CSS.
- Designed and deployed a gym website with emphasis on UX/UI design principles.
- Improved platform usability and layout optimisation through structured coding practices.

EDUCATION AND TRAINING

08/2022 – 07/2025 India
BACHELOR OF COMPUTER APPLICATION (BCA) PDM University

- Relevant Coursework:
- Artificial Intelligence
 - Web Design
 - Prologue Programming
 - Software Engineering Fundamentals
 - Computer Science Principles

- KEY PROJECTS:**
- Developed RESTful API and mobile task management application.
 - Built a database system to track animal adoptions using SQL and Visual Basic.
 - Led project teams in developing interactive websites with JavaScript and HTML.
 - Contributed to civic tech solutions, improving local services for over 200 residents.
 - Participated in data-driven hackathons for non-profit organisations.
