

# Kumbirai Mushambi

## Computer Engineer

233 20<sup>th</sup> Crescent Glenview 1   
0786280990 or 0772370834   
kumbiraimushambi08@gmail.com 

Resourceful and detail-oriented Computer Engineer with a BSc in Computer Hardware Engineering (2.1) upper second-class degree, with a strong foundation in hardware systems, software development, and IT support and networking. Proven ability to build and manage scalable web applications, troubleshoot complex systems, and integrate technologies across devices and platforms. Experienced in database management, ERP administration (Sage 1000), and contributing to policy and cybersecurity initiatives.

---

## Education

**BSc Computer Hardware Engineering** — University of Zimbabwe |AUG 2021 – JUL 2025 | Upper Second Class (2.1)

**Cambridge A-Level** — Bernard Mizeki College 2018–2020 | Mathematics, Physics, Computer Science, Chemistry

**Cambridge O-Level** — Bernard Mizeki College 2014–2018 | 10 subjects including Mathematics (A), Computer Science (A), Physics (A), Chemistry (A)

---

## Experience

*AUG 2023 – OCT 2024*

**Computer Engineering Intern** — Cernol Chemicals Pvt, Harare

- Systems maintenance & support: administered windows and Linux servers; diagnosed and resolved software, network and hardware faults; provided remote support to 50+ users using RDP and Any desk
- Demonstrated strong database management skills on MS SQL server: schema design, performance tuning, backups.
- Backups & recovery: Executed daily system backups, maintained operational logs, and circulated weekly cybersecurity tips to all branches.
- User administration: created and managed user accounts and roles in sage 1000 and internal systems; enforced access controls and maintained user access logs.
- Asset & documentation: maintained hardware and software inventories; updated application user manuals and produced runbooks after system updates.
- Reporting & data capture: ensured timely capture of branch data; generated monthly and ad-hoc reports for management and submitted required reports to mis head office.
- Installed and troubleshoot LAN/Wi-Fi, switches, routers, and endpoints; provided remote support to 50+ users.

*AUG 2025*

**Network Technician (Contractor)** — Netcab Pvt, Harare

- Installed, tested and documented ethernet and fiber cabling; configured switches, routers and access points.
- Performed site surveys and produced network layout documentation used for asset records and mis reporting.
- Provided technical support and logged incidents per company procedures.
- Test and troubleshoot cabling faults and device connectivity.

---

## Core Skills

- **Software Development:** Python, JavaScript (Node.js, React), Django, Flask; experience with requirements analysis, coding standards, unit testing and release notes.
- **Databases & Integration:** MS SQL Server; SQL query writing, schema updates, data validation, report generation, and basic API integration experience.
- **Systems Support & Infrastructure:** Windows and Linux administration basics; endpoint configuration; backups and restore testing; incident logging and resolution; basic virtualization exposure.
- **Professional Skills:** Clear written and verbal communication; teamwork and stakeholder engagement; documentation (SOPs, runbooks, knowledge articles); disciplined change and release participation.
- **Other:** Remote support (RDP, AnyDesk); MS Office (Excel reporting); strong troubleshooting aptitude and willingness to be on-call.

---

## Projects

- **CRM Web App for Cernol Chemicals:** Full-stack feature delivery (Django backend, react frontend); implemented ticketing, role-based access and reporting; produced user guides and trained branch staff.
- **Real-Time Patient Monitoring & Arrhythmia Detection:** Built edge device pipeline and deployed inference on Raspberry Pi (relevant for automation and monitoring tasks).
- **Human Resource Management System:** Built React frontend with Django REST API; implemented onboarding, leave management and performance review modules.
- **Price Comparison & Online Shopping System:** Developed Node.js backend & React UI; aggregated product data from 5 e-commerce APIs, implemented price-alert email notifications and cart syncing.

**UNIVERSITY OF ZIMBABWE**

**FACULTY OF COMPUTER ENGINEERING  
INFORMATICS AND COMMUNICATIONS**

**Bachelor of Science Honours Degree in  
Hardware Engineering**

WE HEREBY CERTIFY THAT

**Kumbirai Denzel MUSHAMBI**

completed an approved programme, and having satisfied the Examiners, has this day been awarded a Bachelor of Science Honours Degree in Hardware Engineering.

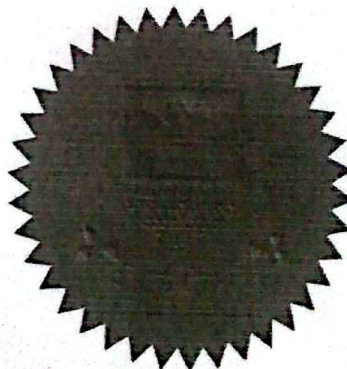

Research Focus Area: Deep Learning  
Degree Classification: Upper Second Class

  
Vice-Chancellor  
Professor Dr Paul Mapfumo

Date: 2 August 2025

**UZ 0022216**

  
Registrar  
Dr. Munyaradzi Madambi

**Cambridge Assessment  
International Education**

## **International General Certificate of Secondary Education**

**This certifies that in the November 2018 examination series**

**MUSHAMBI KUMBIRAI DENZEL**

**of BERNARD MIZEKI COLLEGE**

**was awarded the following grade(s) in the syllabus(es) shown:**

### **Syllabus**

Computer Science

Accounting

Biology

Chemistry

Mathematics

Physics

Geography

History

First Language English

Literature (English)

**SYLLABUSES REPORTED: TEN**

### **Grade**

**A\*(a\*)**

**A(a)**

**A(a)**

**A(a)**

**A(a)**

**A(a)**

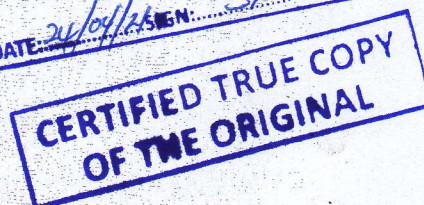

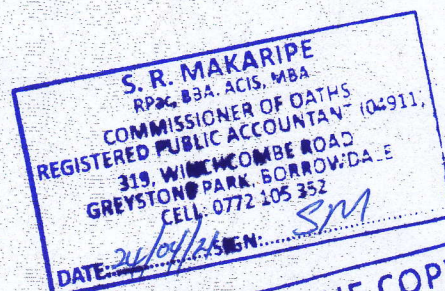

**B(b)**

**B(b)**

**C(c)**

**E(e)**
