Personal Details

✦	Date of Birth	: 02/08/2002
✦	Marital Status	: Single
✦	Nationality	: Zimbabwean
✦	Religion	: Christian
✦	Gender	: Male
✦	Driver's Licence	: Class 4
✦	National ID number	: 63-2271497 B80

Profile

Motivated and hands-on Electronic Engineering graduate with practical experience in troubleshooting, repairing, and maintaining electronic systems. Strong understanding of hardware, connectivity, and system configuration. Experienced in working with customers, providing technical support, and explaining solutions clearly. Eager to contribute to installation, support, and field service roles while delivering excellent customer service.

Education

Certificate in Higher and Tertiary Education	August 2021 - May 2025
✦ Harare Institute of Technology	
Bachelor of Technology Honours Degree in Electronic Engineering	
✦ Harare Institute of Technology	August 2021 – May 2025

Technical Skills

Hardware & Electronics

- Circuit Design & Testing
- Installation and configuration of electronic devices
- Troubleshooting and fault diagnosis
- Basic networking and wireless systems (Wi-Fi)

Core Competencies

- Customer service and communication
- Technical support and user guidance
- Problem-solving and attention to detail
- Ability to work independently and in the field
- Time management and adaptability

ICT & General Technical Skills

- Basic Networking Configuration
- Hardware Installation & Setup
- Microsoft Office Suite

Experience

1. Sasai Fintech – Hardware Technician (Feb 2024 – Oct 2024)

Duties and Responsibilities

- Diagnosed and repaired faulty Point of Sale (POS) machines for retail and field clients
- Troubleshoot hardware components including power modules, displays, and internal circuit boards
- Troubleshooting any software defects of POS machine
- Test software application on the machines
- Provided technical support and resolved reported device issues
- Carry out monthly stock takes of POS machine and spare parts
- Manage inventory of POS machines
- Receive damaged machines from customers
- Create invoices for repairs
- Providing technical product knowledge & market research to be used for the organizational growth

2. Croco Motors – Stock Taking (Dec 2022 – Mar 2023)

Duties and Responsibilities

- Assisted in inventory verification and stock reconciliation
- Maintained accurate records of stock movement
- Supported warehouse operations and reporting

Languages

- Shona
- English

PERSONAL ATTRIBUTES:

- Strong desire to learn and excel in engineering fields
- Ability to work in a group environment
- Ability to follow instructions
- Good communication and interpersonal skills

Academic Profile:

Speciss College High School

(2019 – 2020)

Cambridge International Examinations A-levels:

- Mathematics – A*
- Physics – A
- Chemistry – C

Speciss College High School

(2015 - 2018)

Cambridge O-Level

Attained 9 GCSEs passes, including Maths and English

Additional Information

- Available to start immediately
- Fast learner with a positive attitude
- Strong work ethic and reliability

Dear Member

REFERENCE: MEMBERSHIP ACCEPTANCE

The Membership Committee welcomes your application for membership. The decision is that you be granted membership in the Grade of Student Member in Electronic Engineering with effect from 27 November 2024. **Congratulations and welcome to the Institution.** Your membership number is as stated above, and you are advised to quote the number on any correspondence with the Institution.

The committee is most anxious that you should play an active role in the affairs of the Institution. You may do this by participating in events organized by your local area, offering yourself to serve on the various sub-committees or to assist in their work and joining at least one of the specialist divisions of the Institution.

The committee further encourages you to continue with your professional development by whatever means available to you. This may be by private studies, attending talks, presenting lectures, attending courses run under the banner of the Institution or other reputable organisations.

Yours sincerely

Dr Wilson Banda
Membership Services and Training Officer
FOR THE CHIEF EXECUTIVE OFFICER
