OBJECTIVES

I recently completed an Honours Degree in Data Science and Informatics (2025) with a First Class Degree (1) and was awarded the MSU Book Prize. I am also a certified Data Analytics professional with a Diploma in Data Analytics. I am passionate about applying data-driven solutions to support effective decision-making. I possess skills in data analytics, programming, databases, cybersecurity, business intelligence tools and systems analysis. I am seeking a Graduate Trainee position where I can contribute to data analysis, system support, risk analysis and technology-driven innovation while expanding my expertise in Data Science, Machine Learning, Database Administration and Cybersecurity.
