EDUCATION

BSc (Hons) in Information Technology,

Chinhoyi University of Technology

2025, Class 2.1 Degree

Daramombe High School

- 3 A' Level passes (2019-2020)
- 8 O'Level passes including Mathematics, English(2016-2018)

TECHNICAL SKILLS

- Hardware, software and network systems
Installation, configuration and maintenance
- ICT Security (access controls, antivirus)
- ICT support and Troubleshooting
- Systems and network administration.
- Data Management
- Cybersecurity Fundamentals
- Microsoft Office Suite (Word, Excel, PowerPoint, Outlook, Access)

SOFT SKILLS

- Excellent communication skills
- Quick Learner and Teamwork
- Ability to work without supervision
- Adaptable to any environment.

LANGUAGES

- English
- Shona

SUMMARY

Highly motivated Information Technology graduate with hands-on experience in ICT support, installation, configuration, and maintenance of hardware, software, and network systems. Skilled in systems administration and access control, with knowledge of basic cybersecurity principles and data management. Successfully completed an internship with the Ministry of Mines and Mining Development, contributing to Access control (biometric system installation and maintenance), configuration and maintenance of all systems. Participated in User Acceptance Testing for the Mining Cadastre Information System. Proficient in Microsoft Office packages and known for quick learning and adaptability in any environment. Eager to apply technical and analytical skills in a dynamic IT role and continue growing professionally.

WORK EXPERIENCE

IT Intern

Ministry of Mines and Mining Development, Harare
(August 2023 – August 2024)

- Provided day to day ICT support to users across the organization.
- Monitored and managed access control, user accounts, profiles and system permissions.
- Installed, configured, and maintained hardware, software and network systems.
- Contributed to LAN scoping and installation alongside the IT team.
- Performed regular system backup and disaster recovery processes.
- Maintained ICT asset register and ensure proper asset control and liaised with external service providers
- Participated in User Acceptance Testing for the Mining Cadastre Information System alongside the IT team.
- Attended system-related meetings to gather requirements and understand end-user needs.

Dear Hiring Manager

I am writing to express my interest in opportunities within the Information Technology field. I am a 23-year-old lady with a Bachelor of Science (Honours) in Information Technology degree and practical experience gained during my internship with the Ministry of Mines and Mining Development.

During my internship, I was actively involved in ICT support, ICT security (Access controls, antivirus), data management and installation, configuration and maintenance of hardware, software and network systems. I contributed to key projects such as the Mining Cadastre Information System, participating in User Acceptance Testing and gathering sessions to ensure smooth system implementation. I also performed regular system backup and disaster recovery processes, maintained ICT asset register and ensure proper asset control and liaised with external service providers

My technical toolkit includes proficiency in ICT Support, Installation, configuration, troubleshooting and maintenance of hardware, software and network systems, data management, cybersecurity fundamentals and Microsoft Office suite. I bring a keen eye for detail, adaptability in fast-paced environments, and strong interpersonal skills to collaborate effectively with teams and end-users.

I am eager to apply these experiences and continue developing within a dynamic IT role. My resume is attached for your review, and I would be glad to provide further details as needed. You can reach me via email at shalomanesu60@gmail.com or by phone on 0717647990.

Thank you for your time and consideration.

Warm regards,

Muza Anesu S
