Mobile: 0773 567 298/ 0774 249 786 E-mail: ttmakotore@gmail.com

I am a confident and dedicated software engineering graduate who is seeking to apply and advance skills through responsibility and accountability. I am looking into being part of a working environment that accommodates innovation and freedom of expression. With keenness to learn, I aim to stay up to date with the dynamic IT principles and business environment; thus, taking part in the achievement of organisational objectives.
