Hiring Manager
ZHD Consulting

Dear Hiring Manager,

I am writing to express my strong interest in the IT Support position at ZHD Consulting. I recently completed my Bachelor's Degree in Information Technology at the University of Zimbabwe and I am eager to contribute my technical knowledge, networking skills, and passion for IT support to your organization.

My academic background and practical exposure have equipped me with a solid understanding of computer hardware, Windows operating systems, networking fundamentals, DHCP, TCP/IP, wireless access points, and troubleshooting of hardware and software issues. I also have experience assisting with VoIP installations, CCTV system setup, and basic network infrastructure configuration. In addition, I completed CCNA and Huawei networking training during my studies, which strengthened my understanding of routing, switching, and network support.

I am particularly attracted to this opportunity because it aligns closely with my technical skills and career goals. I am confident in my ability to quickly adapt, work effectively within a team, and provide professional technical support to users while maintaining high service standards.

I would welcome the opportunity to further discuss how my qualifications and enthusiasm can contribute to the success of ZHD Consulting. Thank you for considering my application. I look forward to hearing from you.

Yours faithfully,

Mukula Takudzwa

CURRICULUM VITAE

783 Rydale Ridge, Harare | Phone: 0710900950 / 0776292392 | Email: takumukula@gmail.com

PROFESSIONAL SUMMARY

Motivated and technically skilled Information Technology graduate with a strong foundation in networking, computer hardware, Windows operating systems, IT support, CCTV systems, and VoIP technologies. Hands-on exposure to DHCP configuration, wireless access points, TCP/IP networking, Microsoft Office environments, VoIP installations, and IP CCTV setup. Knowledgeable in troubleshooting hardware, software, and network issues while providing professional technical support.

KEY SKILLS

• Windows 10/11 Support	• DHCP & TCP/IP Configuration
• Wireless Access Points	• Hardware & Software Troubleshooting
• Microsoft Office & Microsoft 365	• Network Fundamentals (DNS, DHCP, TCP/IP)
• Routers & Switches	• Windows Installation & Configuration
• VoIP Installation & Configuration	• CCTV Installation & Maintenance
• Basic Firewall & Endpoint Security Knowledge	• Communication & Teamwork

EDUCATION

University of Zimbabwe

Bachelor's Degree in Information Technology

Relevant Areas Covered: Networking, Computer Systems, Windows Administration, Hardware Support, and IT Infrastructure.

TECHNICAL TRAINING

- Cisco CCNA training completed during university studies.
- Huawei networking training completed during university studies.
- Exposure to network setup, switching, routing, wireless technologies, and troubleshooting.

RELEVANT EXPERIENCE

Stanview Enterprises

- Assisted with VoIP installation and configuration including IP phone setup and connectivity troubleshooting.
- Participated in CCTV camera installation, cabling, DVR/NVR configuration, and maintenance.
- Configured and managed DHCP services and wireless access points.
- Assisted with troubleshooting computer hardware, operating systems, software, and connectivity issues.
- Installed and configured Windows operating systems and productivity software.
- Worked with routers, switches, TCP/IP addressing, and DNS concepts during networking support tasks.
- Supported users with technical issues and routine system maintenance tasks.

PERSONAL ATTRIBUTES

- Strong analytical and problem-solving abilities.
- Fast learner with adaptability to new technologies.
- Able to work independently and in team environments.
