Dear Recruitment Team

RE:APPLICATION FOR GRADUATE TRAINEE- IT AND ELECTRONIC SECURITY SUPPORT ENGINEER

With regards to the above matter, I am excited to apply for Graduate Trainee -IT and Electronic Security Support Engineer as advertised.

I am a graduate from Chinhoyi University of Science and Technology, holding an Upper Second (2.1) Degree Class in Information Technology. With my IT background, I am confident in my ability to contribute to the success of your team and to leverage my technical skills and knowledge in a dynamic environment like yours. During my 12-month attachment at Telecel Zimbabwe, I gained valuable IT skills, including:

➤ **Network Management**

I configured cisco routers, troubleshooting connectivity/ network issues, installing anti-viruses, updates and backups, generated solar-wind reports

➤ **Active Directory**

I managed user accounts, resetting passwords, granting access rights and permissions

➤ **Microsoft Exchange Server**

I created user's mailboxes, backups, manage email databases as well as email troubleshooting e.g login issues, mail flow issues

➤ **Microsoft Office365**

I resolved Outlook, Word and Excel issues

➤ **Virtual Machine Management**

I created and configured VMs using VMware Workstation e.g Hyper-V, Virtual Box in users' machines thus building a new windows server

➤ **Billing and Project management**

I would ensure that the projects were completed on time thus meeting deadlines

➤ **Business Intelligence and Mobile Financial Services:** I created jobs and generated reports.

I am a responsible individual capable of working with minimal supervision and I am eager to learn as this will contribute more towards my career path.

Enclosed, please find a copy of resume which provides additional information on my background and academic qualifications for review.

Thank you for your consideration, and I am looking forward for your response.

Sincerely,

Tadiwanashe Beaulah Ndemera
