

Evelyn Sibanda - Computer Engineer | IT Support & Customer Service Professional

Nationality: Zimbabwean | **Gender:** Female | **Phone number:** (+263) 778566346 (Mobile) | **Email address:**

sibanaevelyn2528@gmail.com | **Website:** www.linkedin.com/in/evelyn-sibanda-63b420292 |

Address: Zimbabwe (Home)

● ABOUT ME

Results-driven Computer Engineering graduate with a strong foundation in IT support, embedded systems, networking fundamentals, and electronic systems integration. Experienced in hardware troubleshooting, customer-facing technical support, digital systems, and operational coordination within multicultural environments. Skilled in diagnosing technical issues, supporting IT infrastructure, and collaborating with teams to improve service delivery and system efficiency. Recognized for strong communication skills, adaptability, professionalism, and a willingness to learn emerging technologies. Passionate about applying engineering and problem-solving skills to real-world IT and electronic security environments

● TECHNICAL PROJECTS

SMART HOME SAFETY SYSTEM – Final Year Engineering Project (Grade A) – 2025

- Designed and developed an IoT-based Smart Home Safety System using ESP32 microcontroller technology for real-time environmental monitoring and safety detection.
- Integrated and calibrated multiple sensors including gas, air quality, temperature, humidity, motion, and flame sensors to ensure accurate system performance.
- Implemented Wi-Fi connectivity, web server monitoring, LCD display integration, RGB LED alerts, and automated buzzer notifications using Arduino IDE.
- Applied embedded systems, networking, hardware troubleshooting, and IoT engineering principles throughout development and testing; project recognized among the best in the Engineering stream for 2025.

- Delivered professional customer service and operational support during events and consultations.
- Resolved customer concerns and coordinated effectively with teams to ensure smooth service delivery.
- Built strong client relationships through professionalism, communication, and problem-solving skills.

VICE PRESIDENT - MISS AFRICA OF NORTH CYPRUS – MANC – 01/2025 – 09/2025 – NICOSIA, CYPRUS

- Coordinated guest relations and supported events hosting 300+ attendees.
- Ensured guests felt welcomed, informed, and comfortable throughout events.
- Represented the organization professionally at public and cultural engagements.
- Worked in multicultural teams, maintaining professionalism under high pressure situations.

PRODUCTION WORKER – TRODOS COMPANY – 08/2022 – 11/2024 – LEFKE, CYPRUS

- Followed production, quality, and safety standards.
- Maintained organized and clean workstations.
- Recognized as an outstanding employee.

TILL OPERATOR – MEGA TRADE COMPANY – 03/2022 – 04/2022 – ZIMBABWE

- Handled high-volume transactions accurately.
- Maintained professionalism under pressure.

VOLUNTEER EXPERIENCE - MENTAL HEALTH ADVOCATE & COUNSELOR

- Diploma in Mental Health
- Provided emotional support and active listening in a respectful and confidential manner.
- Demonstrated empathy, patience, and professionalism when assisting individuals in distress.
- Strengthened interpersonal skills and emotional intelligence

● EDUCATION AND TRAINING

09/2021 – 06/2025 Iefke, Cyprus
COMPUTER ENGINEER European University of Lefke

Website <https://www.eul.edu.tr/tr/> | Field of study Information and Communication Technologies | Level in EQF EQF level 6

● LANGUAGE SKILLS

Mother tongue(s): **ENGLISH & SHONA**

Other language(s):

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
TURKISH	B1	A2	A2	B1	A2
GERMAN	A1	A2	A1	A1	A1
FRENCH	A2	A1	A1	A2	A1

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

● SKILLS

Hardware Troubleshooting & System Diagnostics | Embedded Systems & IoT Fundamentals | Customer-Facing Technical Support | Time Management & Attention to Detail | Microsoft Windows, Microsoft Office & Microsoft 365 | Team Collaboration & Adaptability
