WAYNE JONATHAN MUCHEKA

IT OFFICER | ICT Management & Systems Specialist

PROFESSIONAL PROFILE

Results-driven ICT professional with 4+ years of experience providing strategic oversight and day-to-day management of ICT infrastructure, networks, servers, and end-user systems within an educational environment. Holds a Master of Commerce in Information Systems (Merit) with graduate coursework in Computer Security, Advanced Networking, AI, and Systems Governance. Proven expertise in website management, graphic design, e-learning integration, and cybersecurity. A motivated team player who excels under pressure and is committed to delivering institutional excellence through reliable, innovative technology solutions.

WORK EXPERIENCE

Dzikwa Trust | ICT Head / ICDL Trainer | 2021 – Present

- Provide strategic oversight and day-to-day management of ICT infrastructure including networks, servers, and end-user systems, ensuring optimal performance, security, and reliability at all times.
- Lead development, management, and continuous updating of the institutional website to reflect current activities; administer email systems and all digital communications platforms.
- Conceptualise and produce high-quality digital content including branded flyers, posters, newsletters, and communications materials using Canva and Adobe Creative Suite.
- Design and implement e-learning platforms and digital learning resources; facilitate ICT and ICDL training workshops building digital literacy among students and staff.
- Implement and maintain robust cybersecurity measures and data protection protocols, safeguarding institutional data and ICT assets against threats and breaches.
- Manage ICT equipment procurement, inventory assessments, maintenance scheduling, systems documentation, and full ICT asset control processes.
- Deliver responsive, high-level technical support to staff and students, resolving hardware, software, network, and connectivity issues efficiently and professionally.
- Plan and manage ICT projects including grant-funded educational initiatives, ensuring timely delivery and alignment with strategic objectives.

Zimbabwe National Statistics Agency (ZIMSTAT) | Team Leader / Enumerator | 2025

- Lead field teams conducting national surveys (Household Targeting, SME Survey, Population Census); manage logistics, data capturing, team coordination, and reporting.
- Ensure accurate data collection, cleaning, and submission to central servers, maintaining data integrity throughout the survey lifecycle.

Boka Tobacco Floors | ICT Intern | 2018

- Administered MDaemon mail server; managed staff accounts, database backups, IP phone and computer configurations; performed data analysis using Excel and SPSS.
- Provided comprehensive IT support to staff, handled database management, and ensured optimal uptime of all ICT systems and services.
